# Ohio Association for Institutional Research & Planning Spring Meeting

**Friday, April 1, 2016 — Terra State Community College**

## Call for Participation

The Ohio Association for Institutional Research and Planning is pleased to announce its Spring 2016 Meeting and Conference, and to Call for Participants.

**Theme of the Meeting:**

Data Governance

**Date & Time:**

April 1, 2016 • 8:30 AM - 3:30 PM

**Location:**

The Ronald L. Neeley Conference & Hospitality Center  
Terra State Community College  
2830 Napoleon Road  
Fremont, OH 43420

### The Plenary Panel

At the Fall 2015 meeting, the topic of **Data Governance** seemed to feature prominently on members' minds in the discussion of what we would like to see future meetings and speakers focus on. This broad topic combines such narrower themes as:

- Data Definitions
- Data Quality/Hygiene
- Analytics
- Storage and Sharing
- Compliance
- Security
- Business Intelligence

In truth, we know we have solid expertise on these topics within the organization! For the featured panel at this spring's meeting, we would like to tap that expertise, in a five- or six-person panel discussion surrounding these issues.

If you would like to be a member of this round-table panel, please send your name, contact information, and a precis of your experience with Data Governance to Michael Kapper ([mckapper@outlook.com](mailto:mckapper@outlook.com)), by March 10, 2016. Please also feel free to contact at this address with questions.

### Other Ways to Participate

**Submit a proposal.** The meeting has two concurrent sessions scheduled in the afternoon, and we can accommodate up to eight presentations during that time. Presentations can address the **Data Governance** theme or general topics relevant to IR and Planning practitioners (best practices, tips and hints, using tools effectively, etc.). Please send your name, contact information, and a brief abstract of what you would like to present to Michael Kapper ([mckapper@outlook.com](mailto:mckapper@outlook.com)) by March 10, 2016.

**How do I attend?** Registration for the Spring Meeting was included in membership dues for those who attended the fall meeting at The Ohio State University in November. For others, partial-year memberships, including registration for the spring meeting, are \$50 for professionals and \$25 for students.

**We Look Forward to Seeing You  
In April!**
