

**Minutes of the Business Meeting  
OAIRP Spring Conference  
Ohio Northern University  
The McIntosh Center  
March 22, 2013**

President Steve Miller (Rhodes State College) called the general business meeting to order at 9:30. He introduced Robert Burke, Director of Research, Association of Independent Colleges and Universities of Ohio as keynote speaker, who gave the keynote address "Choosing the Unexpected Way: The Sausage Machine and Its Ingredients: Policymaking in the Modern Age and the Use and Misuse of Data.

Jane Evans (Belmont Technical College) gave the treasurer's report (as attached), she explained that the 5% \$204.38 credit card processing fee of fall 2012 was simply not a expenses OAIRP realized, so she left the fee amount in expenses but showed the fee on the description line rather than as a deduction from revenue like other expenses; the Treasurer's report was accepted.

President Steve discussed some current issues, includes OAIRP new website ideas (AIR no longer support their AOs website, credit card processing and event registration, so we have to move to our own website at some point soon), replacement of VP and some council members, the location for next fall conference (most possibly at OSU) and an possible extra IPEDS training day for Fall conference.

The group then broke out for individual council meetings to discuss current issues for their respective institutions and to elect new council members. The entire group later reconvened to hold elections for officers from the council. The new lineup is as follows:

**OAIRP Officers, 2012 - 2013**
